#ProudlyEngineeredInEurope ™

Security ✛ Reliability ✛ Sustainabilty

The network with a positive mindset
within the European electronics industry

#PROUDLYENGINEEREDINEUROPE ™

A COMMUNITY OF INNOVATION, EXCELLENCE & PRIDE IN OUR COMMON ACHIEVEMENTS

Welcome to our cooperation of passionate European electronics companies dedicated to celebrating the innovation, craftsmanship, and technical excellence that define European engineering.
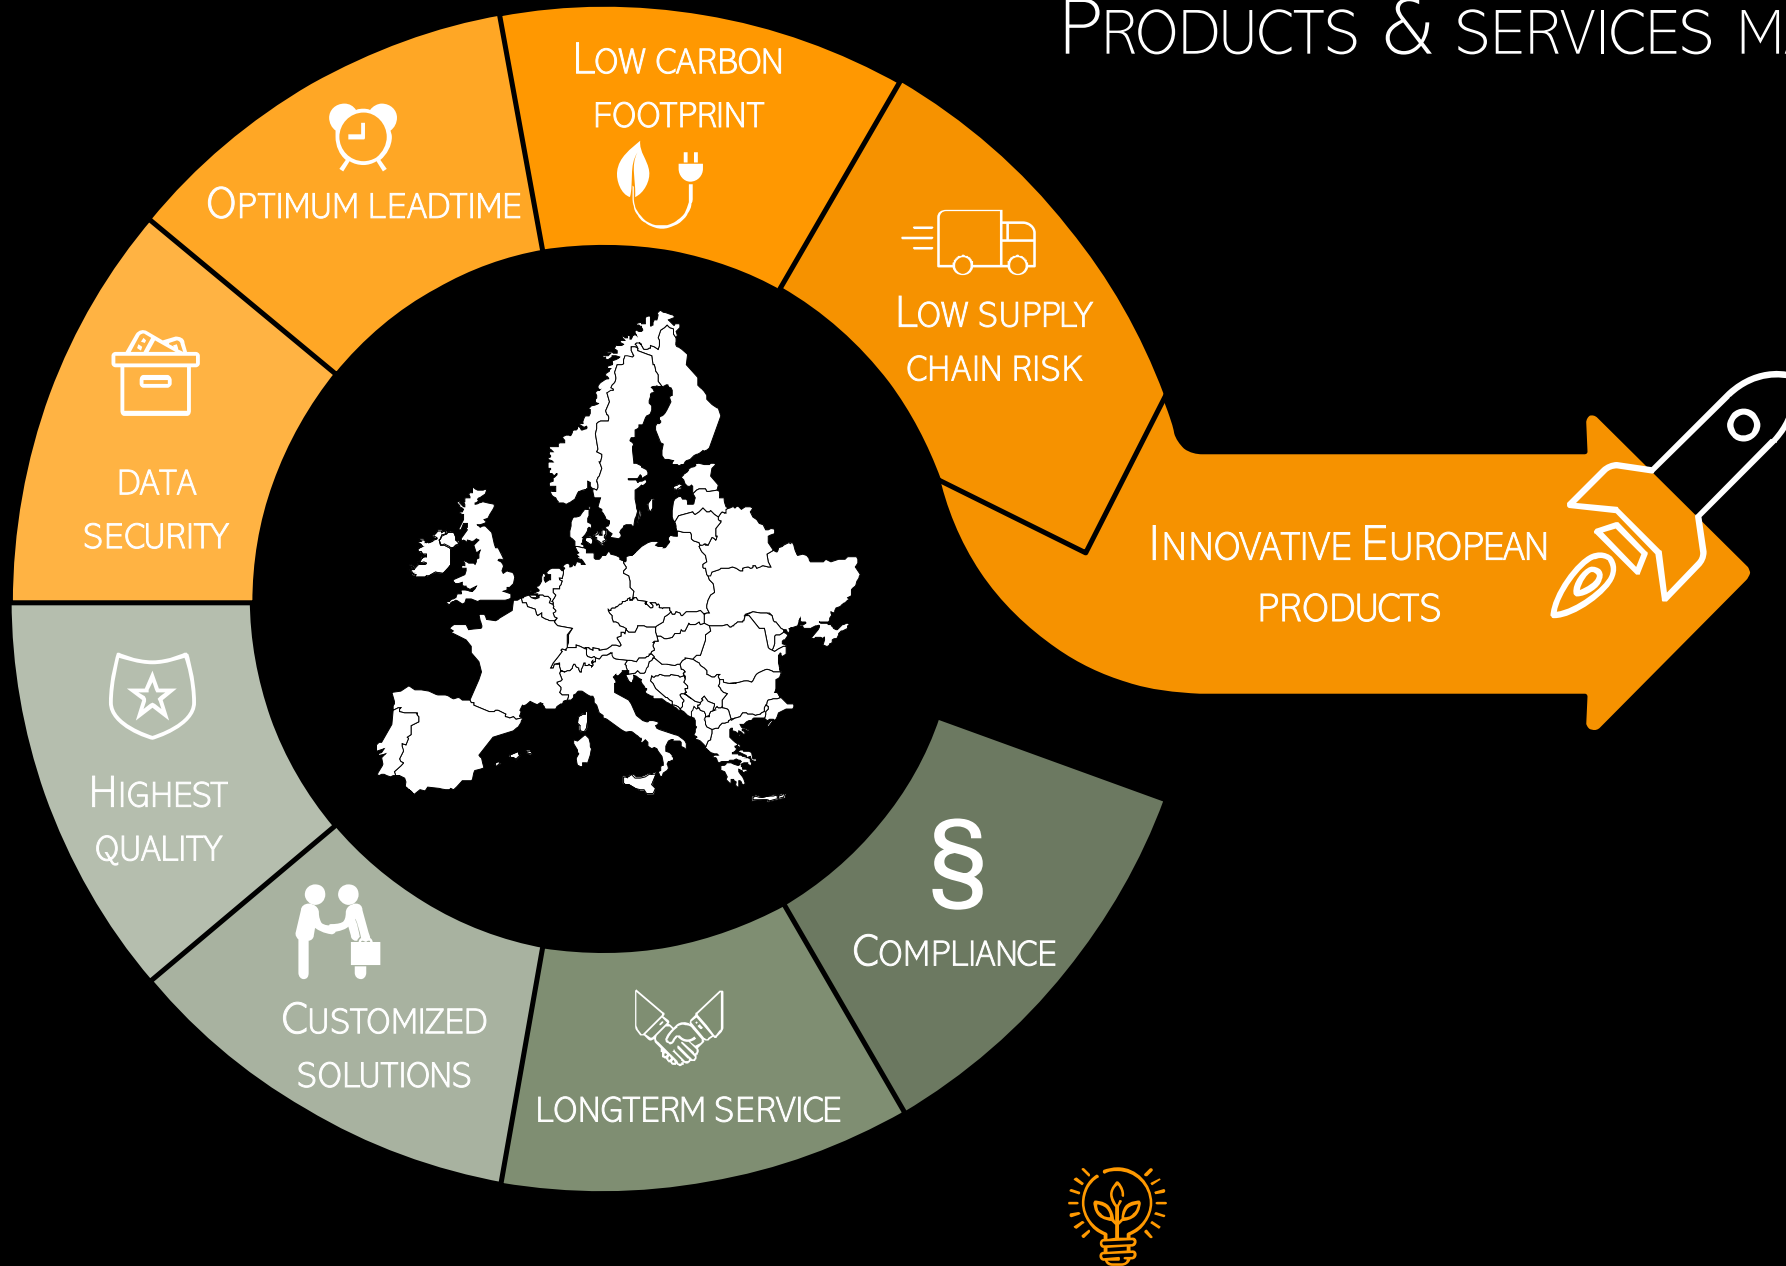

Whether you're an engineer, technical service supplier or manufacturer who appreciates the impact of European innovation and design, this network is for you.

Our mission is to showcase the ingenuity behind Europe's engineering marvels, from cutting-edge technology and sustainable solutions over the rich history of manufacturing that has shaped industries worldwide to today's amazing innovative power.

This network is where we come together to share knowledge, discuss the latest developments, and highlight the achievements of engineers across Europe and create a sustainable and profitable future of our industry.

PRODUCTS & SERVICES MADE IN EUROPE

LOW CARBON FOOTPRINT

OPTIMUM LEADTIME

DATA SECURITY

LOW SUPPLY CHAIN RISK

INNOVATIVE EUROPEAN PRODUCTS

HIGHEST QUALITY

CUSTOMIZED SOLUTIONS

LONGTERM SERVICE

COMPLIANCE

Take a moment to ask yourself what your country or city has achieved in the technology and engineering sector

- Which major tech, engineering or service companies operate in your country?

- Which tech innovations have originated from your country?

- Which tech products are being manufactured in your city?

- Which tech services are being offered in your city?

- Which personal projects or achievements can you be proud of?

- Which tech products or services are you offering?

# THE EUROPEAN ELECTRONICS INDUSTRY DELIVERS

- customer-specific solutions of the highest quality and product lifetime
- for demanding environmental conditions
- in compliance with all applicable standards and laws
- with regard to the environment and society

Security ✦ Reliability ✦ Sustainabilty

TOGETHER, WE SHAPE THE FUTURE OF EUROPE WHILE WE WILL

COLLABORATE ON PROJECTS AND PRODUCTS

FOSTER PRIDE IN EUROPEAN ACHIEVEMENTS SKILLS AND SERVICES

STRENGTHEN EUROPE'S SMEs

PROMOTE EACH OTHER'S SERVICES, PRODUCTS AND PROJECTS

DISCUSS AND SOLVE COMMON PROBLEMS

CREATE SUSTAINABLE, INNOVATIVE SOLUTIONS

#PROUDLYENGINEEREDINEUROPE ™

JOIN US AS WE ARE

- Creating groundbreaking European engineering projects & innovations
- Making the most of local European knowledge in a global context
- Sharing success stories of European-made products & technologies
- Promoting sustainable & forward-thinking engineering practices
- Connecting with like-minded professionals and enterprises
- Fostering discussions on the future of European engineering on the global stage

Whether you're based in Europe and passionate about the contributions Europe has made to the world of engineering, #ProudlyEngineeredInEurope is a place to connect, learn, invent, develop and take pride in the power of European innovation.
